

ISO AGM , HOLLAND 26.04.2014

Short Economic review From Norway

Key Figures Population : 5.109.056

Unemployment : 3,5% In per cent of the labour force .

Consumer price Index (CPI) Year to year 2012 – 2013 rose by 2,0% CPI up 0,2% February to March 2014

Index Retail Sales February 2014: Retail sales indices , 2005 = 100 Retail volume index excluding sales

Of motor vehicles = 127,1

In the Store Furniture business and general contracting is the business for 2014 optimistic
among the Top managers I spoke with during my visit to Euroshop in February.

2014 on the same level as 2013

This is all I have at the moment, So it's a short review.

Morten Gron-Hansen
